

Update: May 8, 2020

SilverSource, with the support of community volunteers, is:

- Delivering groceries to more than 200 seniors weekly, and over the last six weeks, has provided food for more than 20,000 meals – helping Stamford seniors to 'Stay Home and Stay Safe.'
- Calling seniors regularly to meet their urgent needs, reduce isolation, and connect them with emergency services including food delivery as needed.

SilverSource remains up and running, providing vital services to seniors and free transportation to essential medical appointments (dialysis, chemotherapy, etc.).

If you need help, call (203) 324-6584

Please help us sustain these vital services by supporting the
SilverSource Covid-19 Crisis Fund:
