For Black History Month 2023, **Fairfield County's Community Foundation** invited partner organizations to celebrate contributions by their Black colleagues and amplify the work of these everyday heroes who are creating a better future for our community.

2023 BLACK HISTORY MONTH STAFF SPOTLIGHTS

SilverSource provides a safety net to older residents in need, and assist seniors in keeping a roof over their heads, with the heat and lights on, food on the table and the medical care they need.

Brian Brinkley, Medical Transportation Driver **SilverSource**

Brian is a trusted and revered member of the SilverSource staff. For the past 14 years, he has driven SilverSource clients to their medical appointments and back home throughout Stamford – many of whom need extra assistance since they use wheelchairs or walkers. He ensures they get to these appointments safely with kindness and care.
