

Gifts of Stock or Securities

An attractive way of giving.

Stocks and securities can be transferred to SilverSource, Inc. Gifts of stock may provide a significant tax benefit: an income-tax deduction for both the property's fair-market value *and* for its appreciation. Donating the stock also allows you to avoid capital gains taxes.

Please note: we do not determine the tax-deductible amount for donors contributing stock. We send you a gift acknowledgment that includes the date of the stock transfer. Please refer to your accountant or financial advisor to determine the value of your gift for IRS or other purposes.

Please contact Marianne Delaney, Chief Development Officer, if you plan to donate stock/transmit securities: mdelaney@silversource.org or (203) 557-8560

Please let us know:

1. WHAT is being transferred (name, type and amount of stock shares, cash, etc.);
